Sir,

Subject: MEDICAL RELIEF - opening of a Rural Dispensary at Bellare in Puttur taluk - Sanction requested.

....

The Collector of South Kanara in his letter L.Dis. 26456/53 dated 30-1-54, has communicated to me a copy of the letter of the District Medical Officer, S.K. with a copy of the proceedings of the District Rural Welfare Committee meeting held on 22-1-54 and requested me to take up the question of opening of a Rural Dispensary at Bellare as the local people offer a rent free building and are willing also to provide equipment with the help of Government Grant under the National Extension Service.

2. Accordingly the Dt.Board in its resolution No. 120 dated 20-3-54(Copy enclosed) has resolved to open a Rural Dispensary with the Government subsidy.

3. In this connection, I have to state that Bellare is situated in Malnad area and there are no medical facilities within a radius of 12 miles. The nearest Medical Institution from this place is at Puttur which is at a distance of 12 miles. The Medical Institutions at Sullia, Kadaba and Subramania are all at a distance of more than 20 miles from Bellare. The Board is running a High school and a higher Ele.school at Bellare. Hence in the opinion of the Board, there is a necessity for a Rural Dispensary at this place.

I, therefore, request that Government may be pleased to sanction the opening of a Rural Dispensary at Bellare with the Government subsidy and communicate the orders to me at an early date.
